

# **IGM TREASURER'S REPORT**

## 31<sup>st</sup> MARCH 2020

### BERNARD TAWIAH, TREASURER

The following items have been identified as material to be brought to the attention of the PGSA Executive.

#### **BUDGET**

The 2020 budget was created based on expense estimates from the previous year. It will be used to apply for funding from the university. The creation of this budget was done from a conservative perspective, lessening the modest deficit. The PGSA has ended the last few financial years in surplus and therefore has reserves to cover the budgeted deficit.

#### **OVERALL FINANCIAL POSITION**

The PGSA continues to occupy a sound financial position, subject to continued funding and support from VUW.
